Ch 51

Row 1: SC in 3rd ch, [DC in next st, SC in next st] until end of row

Row 2: Ch 1 (counts as SC), turn your work, [DC into SC from previous row, SC into DC from previous row] until eor

Row 3: Ch 3 (counts as DC), turn your work, [SC into DC from previous row, DC into SC from previous row] until eor

Row 4-40: Repeat rows 2 and 3.

Sewing your cushion up:

Once you have crocheted both the sides of the cushion, choose the wrong side, and placing both sides of cushion on top of each other to create a perfect symmetry, sew three of the four sides of the cushion.

Once you have sewed these three sides, turn your cushion inside out (so that the right side is facing outwards), and stuff your cushion until you are satisfied with how full it is. Delicately sew the fourth and last side of your cushion to close it, fasten off and tidy up all loose ends.
