Chain arch edging:

Ch 1, SC into 1st SC, [ch3, sk 1 ch, SC into next SC] until eor
Turn the headband so you are facing its width, and sl st through the 2 rows (=2 slip stitches), turn project so you are facing the other length of headband. Ch 1, SC into 1st SC, [ch 3, sk 1 ch, SC into next SC] until eor. Once you reach the eor, turn your work again so you are facing the width, sl stitch through both rows (=2 slip stitches). Fasten off, leaving long tail for sewing elastic onto project.

<u>Flower (make 3)</u>:

With 3 mm hook and yellow yarn, make a slip knot

Ch 4, sl st into 1st ch to form a ring

R1: Place 10 SC into ring. Pull on center loose end to tighten ring, and if you are changing colour, fasten off.

R2: Sl stitch into any SC, attach yarn; ch 2, yarn over, go into stitch, pull up a loop (3 loops on your hook), yarn over and pull through 2 loops (2 loops left on hook); yarn over and go through next stitch, yarn over and pull through 2 loops, yarn over and pull through 3 last loops. Ch 2 and sl st through base of stitch (= first petal). *Sl st into next st, ch 2, yarn over, go into stitch, pull up a loop (3 loops on your hook), yarn over and pull through 2 loops (2 loops left on hook); yarn over and go through next stitch, yarn over and pull through 2 loops, yarn over and pull through 3 last loops. Ch 2 and sl st through base of stitch*

Repeat from * until eor, you should have 5 petals in total. Fasten off, leaving long tail for sewing onto project.

Once you have your three flowers, position them so that the flower on the outer edge of headband is located approximately at 10 cm (4") from edge. Sew the flowers on using the long tail, tidy up all loose ends.

To sew project together with elastic:

Take elastic and place a knot into the middle of this; sew one side of headband to the elastic with tapestry needle, making sure you sew the entire width of bandeau to elastic; making sure you don't twist project, sew on second side to other side of elastic.

Fasten off, tidy up all loose ends.
